

The 29th MGA Hieronymus Cup Matches Highland Springs CC

Springfield, Oct 8-9, 2022

Highland Springs clubhouse

#10 from the tee

Like the Curtis, Solheim, Walker or Ryder Cups, Missouri players earn their way on to the East and West teams by virtue of their performances in that particular season. Between the western and eastern sides of the state, U.S. Highway 63 is the dividing line. Players living in cities on or west of Highway 63 are on the West Team, players living to the east of the highway are on the East Team.

Predecessors to the H-Cup were cup team competitions in the 1970s and 80's consisting of teams of amateurs vs. pros and were run by the Midwest and Gateway PGA sections.

The MGA began the Missouri Cup in 1994 and in 1997 the name was changed to the Hieronymus Cup in honor of Damon Hieronymus of Sedalia. Damon was an MGA board member and junior golf enthusiast until his death in 1997. He and Ken Lanning were the

driving forces behind the Missouri junior golf program through the 1960's, 70's and 80's. Damon left a trust fund to the MGA to be used for the betterment of amateur and junior golf in the state of Missouri.

In 2007 and 2009 the format was expanded to include more senior players in the matches. Teams now consist of 20 players, ten seniors and ten players age 49 and younger.
